

E. F. BAVIS AND ASSOCIATES INTRODUCES A REPLACEMENT DRAWER FOR THE MOSLER VISTRA

The Mosler Vistra deal drawer is no longer in production and parts are not available due to the Mosler bankruptcy. If your organization is using this drawer and would like to replace it due to wear, damage or lack of parts...E. F. Bavis and Associates, Inc. has the solution in its new "Replacement Drawer".

Drawer shown in closed position

18" extension with drop front door

The Bavis replacement drawer:

- Powered operation with electronic brake for positioning
- Solid state electronics eliminate gears, belts and pulleys for smooth trouble free operation
- Large 16 1/2" x 11" x 5 1/4" interior usable dimensions
- 25 lb. weight capacity
- 18" of extension for greater accessibility
- Flat compression seals eliminate airflow and reduce noise
- Sliding interior door with safety bar
- Drawer is .050 aluminum, shell 11ga. steel and door 1/8" aluminum
- Paper transactions secured with full length hold down bar
- Scratch resistant powder coat finish available in custom colors
- UL Listed
